Thursday 28th March

Teacher Training Days
Monday 15th and Tuesday 16th April

Children Return
Wednesday 17th April

This Week's Learning

This week we have continued to learn about frogs and their life cycle, Brambles have been keeping a keen eye on our tadpoles and were delighted to come back Monday and see that a few have grown legs. Our tadpole friends will be taken back home on our weekly walk today.

At carpet time, we have been discussing Metamorphosis and thinking about other creatures that transform into a different form.

Our letters and sounds activities during free play have included an 'S' letter hunt in the garden finding snails, sand, scoops and sausages.

We have also been practising our alliteration, with our favourite sentence being, "Sid the silly snake slithers".

Our number of the week: 2

Our key words: Frogspawn, tadpole, froglet, frog, pond and metamorphosis.

Our letter sound: S

Something Special

After the Easter holidays we will be learning all about Rabbits, so during your time away from Brambles why don't you see what facts you can find out about them?

Perhaps you could go for a walk and see if you can discover where they live or you might want to draw a picture that we can share at carpet time.

Please send a photo of your adventures to the Brambles email address for our Home board.

Hoppy Learning!
