### Homework

There will be weekly homework for Year 6 in Summer 1 that reflects the SATs revision we are doing at school. In addition, we will be encouraging the children to practise any concepts that they find challenging at home so that they feel relaxed and confident when the examinations take place. Weekly SATs revision homework will be given on a Friday with **Reading returned on Monday, Grammar returned on Wednesday and Maths returned on Friday** of the following week. Our **weekly spelling test** will still take place on **Friday**.

Homework set in Summer 2 will be reflective of the transition activities set by your child's new school.

### Reading

We still place great importance on reading as a school and will be continuing with the Accelerated Reader system which allows class teachers to monitor which books your child has read and information about their reading habits. Your child will be bringing home a school reading book linked to the AR system. Please encourage regular independent reading of this book and reading to an adult wherever possible. As a guide your child should read at least five times a week at home and should be also aiming to read 100+ minutes each week. This will also support your child in working towards meeting AR targets. Extra reading of home fiction, non-fiction, magazines and guides is of course encouraged and welcomed.

### PE days/kits

PE kits will be required on a **Wednesday and Friday for 6W. Wednesday and Thursday for 6B and Thursday and Friday for 6M. Please ensure that your child arrives wearing their PE kits on these days.**

PE kit consists of - a white t-shirt, trainers, dark jogging bottoms/ shorts and a dark sweatshirt (no hoods). No jewellery except stud earrings and watches should be worn in school and these must be removed for all PE activities as it is no longer acceptable to use tape to cover earrings. We would therefore advise that children leave any earrings at home on their PE day. Long hair must be tied back.
