Autumn Term 2024

Headteacher's notes...

Each week always seems to bring something slightly different and unexpected when working in a school and this week has been no exception. The fields have resembled more of a nature reserve at times with all the wildlife enjoying the water and the children have enjoyed looking at the

view. Thank you for your support and understanding on Tuesday when we had to close at short notice. It took various contractors most of the day to identify the various issues but it did mean that we were able to re-open as usual on Wednesday. The water seems to be going down at last and hopefully all of the gates will be back open next week and we can return to usual start times.

Staffing Update

You will be aware that one of our School Secretaries, Mrs Potts has been on maternity leave for the past year. She has now made the difficult decision that she will not be returning to Brampton but wants to thank everyone for all the support she has received. She will be missed but we wish her and her family all the best!

Details about Parent Governor Elections were sent home last week and the deadline for nomination is noon on Friday 18th October. If you know of anyone else from the wider community who may also be interested and would like further details please contact the school.
