Our School

Mr Allen — our Headteacher

Mrs Powlson - our Transition Mentor

Arriving at Brampton School

You might see the ladies who work in the School Office; Mrs Dachs, Miss Jack and Mrs Ridden.

You will wear our school uniform, like these children.

You get used to making friends easily.

You get to make friends with military children and children from the village.

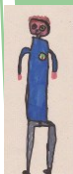

You learn to fit into a new school routine quickly.

You can make a new group of friends.

You can help other new children feel welcome as you know what it's like to be new.

An interview with Mrs Powlson, our Transition Mentor

Mrs Powlson helps new children settle into our school. This is what we found out about her.

I have lived on four RAF bases.

I trained in counselling and specialised in therapeutic play.

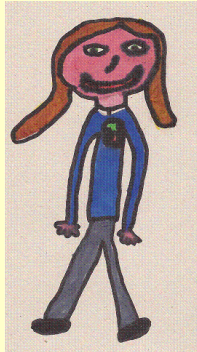

At first I was a mentor for military children, but now I mentor all new children to the school.

My experience allowed Mr Allen to pick me to be a transition mentor.

We have a buddy system and a boy or girl will be a friend to any new pupil who comes to our school. The buddy will meet the new pupil on the first day and show them around and help them.

I see any new children as often as they need me in the first half term. At the end of the first half term we meet again to check they are settling in ok.

Your first day.

A boy or girl from your class will be your Buddy. They will show you where to go and where to put your coat.

They will show you where to put your lunchbox and where to go for lunch.

They will be a friend to help you.
