Spring Term 2025

Headteacher's notes...

We celebrated World Book Day yesterday with children and staff looking fantastic in various costumes. Thank you for your support as it is an event that I know so many enjoy taking part in. Thank you also for supporting the Book Fair that was in school.

During Assembly earlier this week our Year 6 School Councillors visited the classrooms to introduce themselves. They are divided into three teams, each with different responsibilities – Environment, Activity and Friendship – all with the aim of making things even better for all children around the school.

Staff Update

I am delighted to tell you that Miss Atlay had her baby last week and all is well. We send her and her family all our best wishes and congratulations.

We also send congratulations to Mrs James, one of our Higher Level Teaching Assistants, is expecting a baby so will soon be going on maternity leave.

Lastly, we will be saying goodbye to Mrs Wood from Year 3 in the summer. She has been connected with the school for many years and has now decided to go off and do other things.

Swimming

Now that the swimming lessons have finally started it has been great to see the children enjoy them so much. Because of the difficulties and delays last week we are able to keep the pool on site for an additional week so lessons will continue from next Monday.

Booster sessions for Year 6 will be:

Monday and Tuesday	girls
Wednesday and Thursday	boys

Sports News

Last Friday's Henson Cup match was very exciting and competitive with Brampton eventually being beaten in the penalty shootout. We also entered a team into a tournament at Crosshall Junior School yesterday and we were not crowned the winners. Well done to all who played and represented the school so well, and thank you to everyone who has helped and supported the teams.

Parking

We have been contacted by local residents this week after driveways have been blocked by some inconsiderate parking. This has meant missed appointments and in one case an ambulance could not get to a house. Please can we remind you not to block driveways or to park on yellow lines/zigzags.

Comic Relief

On Friday 21st March, it is Red Nose Day for Comic Relief. As part of this the children can wear something red in return for a suggested £1 donation which can be made by going to [Brampton Village Primary School is fundraising for Comic Relief](#)
