This Week's Learning

This week we have continued to explore our nature interest of winter weather and arctic animals. We have enjoyed discovering the frost and ice outside, using our fingers to make letters and marks on the benches and tables in our garden.

In our fine motor trays, we have been making snowflake patterns using pegboards with white and blue pegs. Number beads threading now been extremely popular, allowing the Brambles to practise their number lines.

During carpet time, we have begun to incorporate our flipper flappers into our mini moves, to encourage our Brambles to use their gross motor skills and this has sparked many fantastic discussions about eating healthily and staying active.

A big thank you to the Brambles families who kindly shared a fruit basket and flapjacks for snack time to celebrate their children's birthdays.

Our number of the week: 3

Our key words: Winter, cold, penguin, polar bear, arctic seal and walrus.
