Reminders

Please can you label all of your children's hats and gloves. We have many items in our lost property box that we are sure someone is missing.

As it is getting increasingly colder and we do go out in all weathers please do dress your children appropriately.

Thank you

Brambles Winter Concert

This Week's Learning

This week we have begun learning all about stars, we have discovered that stars have 5 points and that when some stars join together they make constellations in the sky.

On the art table this week we have been exploring Van Gogh's Starry Night, Brambles have enjoyed using a new medium of pastels to make their own creations of the night sky.

During carpet time we have been observing star projectors and using our relaxation book "The Wishing Star" to rest and talk about our big feelings.

On Tuesday we went for a walk around the village looking for stars. We not only saw the closest star to us which is the sun but we also saw many stars on doors, trees and windows.

Our number of the week: 5

Our key words: Star, sky, night time, sun, telescope and constellation.

Something Special

The Round Table's Santa sleigh is beginning to prepare for their visit to Brampton, Thursday 7th December (High Street start) and Monday 11th December (Belle Isle start). Would any Brambles parents be interested in volunteering as Santa's helpers?

Please let Brambles staff know if you are able to help on either of these evenings.

**Miss Emma, Miss Max, Miss Hayley, Miss Lorraine,
Miss Treasure and Miss Vicki.**
