This Week's Learning

This week at Brambles we have been learning all about holidays as many of our friends have recently wanted to share their summer adventures at carpet time.

We have discussed how you might travel to your destination, where you might stay and what activities you could do while you are on holiday.

On Tuesday we had the whole school swap over morning, and it was fantastic to see our Brambles embracing their transition into their Reception classes. They came back to Pre School keen to share their experiences and new friends that they have already made.

On Thursday while our Reception classes were on their school trip, we spent some time in their classrooms finding out where the cloakroom, snack area and toilets were and even got to play with some of their tough trays, home corners and playdough tables. All of the Brambles children left feeling quite excited for their next adventure into school.

Our number of the week: 10

Our key words: Holiday, seaside, camping, caravan, hotel and aeroplane.

Something Special

Our Brambles sunflower competition will close on Friday 10th July.

Please send us the latest photos of your sunflowers along with their height measurement so that we can present our winner of the competition with their prize. It has been fantastic to see how much care has been taken with their seedlings.

Miss Emma, Miss Max, Miss Hayley, Miss Lorraine, Miss Vicki and Miss Treasure.
