## This Week's Learning

This week we have been exploring the northern lights, we have used our gross motor skills to move our bodies around the classroom in swirling, wave like movements using a variety of coloured flipper flappers. On the art table, we have created coloured filled skies with toothbrushes using a choice of green, purple and pink paint.

Using light boxes on our exploration station, we have made our own northern light filled skies using strips of iridescent film and transparent coloured loose parts.

Next week we have lots of fun Christmas activities planned, including meeting up with our Year 6 buddies and non uniform day on Friday where children are welcome to wear something festive if you wish. We also plan to watch Julia Donaldson's Stickman one afternoon. Please let a member of staff know if you would rather your child not watch this story.

**Our number of the week:** 2

**Our key words:** Northern lights, sky, colours, swirl, illuminate and aurora

## Something Special

Next week, Brambles will be singing Christmas songs to our parents at collection time every day at 3.00pm. They have been practising a variety of songs and are very excited to share them with you all.

This is to ensure all families can be included in our Christmas celebrations.

**Miss Emma, Miss Max, Miss Hayley, Miss Lorraine, Miss Treasure and Miss Vicki.**
