This Week's Learning

This week at Brambles we have been discovering lots of Autumn treasures.

On the Exploration Station we have had a variety of autumnal materials such as acorns, conkers, pinecones and sycamore seeds that we have been exploring using all of our senses.

We collected different coloured leaves from the village green last week and used these to create our own collaborative artwork including some Autumn trees, a leaf man and stick people!

On our Maths table we have been using our knowledge of 1-5 to match the correct number of leaves and conkers to our pebble numerals.

Our tactile tray included pinecones and different coloured pipe cleaners that we used to weave around the various sized scales.

In the garden we participated in some mini move activities, twirling like sycamore seeds, floating like leaves and standing tall like trees.

We will be holding parents' consultations in October, these will take place over two days, Tuesday 13th October and Tuesday 20th October, from 3.30pm. This is an opportunity for you to speak to your child's keyworker about their start to Pre School. More details on how to book a slot to follow.

Our key words: Leaves, Conker, Sycamore seed, Pinecone, Stick and Acorn.
