## This Week's Learning

This week we have been learning all about construction and how we can build using various different resources. We have drawn our own plans and used tape measures and rulers to see the height and width of our structures.

In the art area we have used different construction blocks and paint to create our own buildings and Brambles have formed some fantastic houses, castles, bridges and even roads connecting their painted blocks together.

We have been exploring our new octogen construction shapes and there have been some fantastic rainbows, flowers and even a giraffe created.

Thank you to all of those families who have donated recycling to us, Brambles are quite excited to create some junk modelling structures. We were also kindly donated a variety of large cardboard boxes too, and we are going to incorporate these into our outside play next week.

**Our number of the week:** 4

**Our key words:** Construction, construction workers, plan, measure, connect and architecture.

## Something Special

The PTA is holding a School disco on **Thursday 12<sup>th</sup> February** and Brambles are invited to attend from 5pm-6pm in the KS2 school hall.

There is a £3 Entry fee, this includes a biscuit and a drink. Parents must stay with their children for the duration of the disco.

The PTA are looking for volunteers to help this run successfully so please do sign up to help if you can.
