Reminders

Please can we ask that Brambles do not bring in toys, jewellery or any other small items from home, as this causes upset when things go missing if other children want to play with their belongings.
Thank you.

Last Day of Term

Friday 15th January 2027
Applications close for Reception School Places

This Week's Learning

This week at Brambles we have been learning all about our five senses.
After listening to some vehicle sounds, the childfren built their own train out of wooden chairs and used the various postcards from the construction tray to go on adventures to Paris, Tower of London and Big Ben. We even had our own train driver who took in everyone's tickets.
In the art area we used a variety of different collaging materials to create our own textured collaborative artwork to go up on our display board, discussing how the materials felt and sounded.
On the exploration station we explored and grouped together different textured resources and sound triangles.
Some of our Brambles enjoyed using the letter magnets with their name cards and finding the initial letter of their name, attempting to sound them out. They were quite excited when they had completed their whole name.
We headed out to explore the KS1 Playground on our senses walk. We heard cars, the wind blowing and aeroplanes flying overhead. We sat in the bird hide and took it in turns to act out different sounds that we had heard for our friends to guess. We used our gross motor skills to climb the outdoor equipment and took it in turns to go down the slide.
The application process for children due to start Primary School in September 2027 is now open, the closing date for applications is the **15th January 2027**. You can access the online application via the Cambridgeshire County Council website.
