## This Week's Learning

This week at Brambles we have been taking part in the RSPB big garden birdwatch.

We have learnt some of the bird's names that we would see in our gardens, what they like to eat and where they live.

Our art area has been very busy this week as our Brambles have been painting their own interpretations of some of the birds that we have observed in our garden such as robins, blackbirds and magpies.

We explored the KS1 playground with our binoculars and used their reading area as a group bird hide, watching the birds go in and out of the large trees on the school field. Brambles had great fun playing on the larger playground and using all of the outdoor equipment and activity boards.

Why don't you have a look in your garden and see how many birds you can spot? You could even make a tally or draw a picture of a bird that you have seen. There are free resources that you can download on the RSPB website if you wish to take part.

**Our number of the week:** 3

**Our key words:** Blackbird, woodpigeon, gull, sparrow, magpie and robin.
