This Week's Learning

We hope you all had a wonderful half term; it was lovely to welcome the Brambles back this week and hear all about their half term adventures.

This week we have been learning all about fire, we have discovered what fire fighters wear to protect themselves from fires and how they fill their fire engines with water.

We went for a walk around the village to look for fire hydrants and continued to use our fantastic looking and listening skills to safely practice crossing the road.

On the art table we have created poppies with collaging materials, paint and transient art. All of our Brambles had the opportunity to choose how they created their own.

These will be displayed on our classroom windows ready for the Sunday Remembrance Day Parade. Thank you to all of our Brambles families who sent in donations for the PTA cake Friday.

Our number of the week: 3

Our key words: Fire, flame, heat, fire engine, fire fighter and fire extinguisher
