Monday 7th April - Monday 21st April
Easter Holiday

Tuesday 22nd April
Teacher Training Day

Wednesday 23rd April
Children Return

This Week's Learning

This week we have been learning all about frogs and their life cycle, we have discovered that frogs are amphibians and that they can live in water and on parts of the land.

At carpet time we have been discussing metamorphosis and thinking about other creatures that transform into a different form.

There have been some wonderful frog life cycles created this week on our art table, using green and blue bubble printing.

Using our fine motor skills, we played with jumping frogs seeing whose frog could leap the furthest across the classroom floor.

Thank you to all of Brambles families who donated Cakes for the PTA cake Friday.

Our number of the week: 5

Our key words: Frogspawn, tadpole, froglet, frog, pond and metamorphosis.

Something Special

On Friday 21st March, it is Red Nose Day for Comic Relief. As part of this Brambles can wear something red in return for a suggested £1 donation which can be made by going to [Brampton Village Primary School is fundraising for Comic Relief](#)
