## This Week's Learning

This week we have been exploring the Northern Lights, we have used our gross motor skills to move our bodies around the classroom in swirling, wave like movements using a variety of coloured flipper flappers. On the art table we have created coloured filled skies with toothbrushes using a choice of green, purple and pink paint.

Friday afternoon we decorated our own Pudsey colouring sheets and made spotty biscuits for Children in Need, all of the Brambles were able to ice and add coloured sprinkles of their choice. These were labelled in individual bags and put inside their lunchboxes.

Thank you to all of the Families who donated to Children In Need, it was wonderful to see so many spotty outfits at Pre School today.

**Our number of the week:** 2

**Our key words:** Northern lights, sky, colours, swirl, illuminate and aurora

## Something Special

Brambles have started to practice for our Winter Concert and you will be receiving your Invitations to attend this in the coming week.

We look forward to sharing our Winter Songs with you.
