## This Week's Learning

This week we have continued with our rainbow nature topic, we have explored some wonderful science experiments such as our climbing rainbows in the art area and a Skittles rainbow in our kitchen, perhaps at home you could try some of these too. On Thursday we took a walk over on to the Green outside school and made a rainbow tally for the cars that passed us, the most popular colour car was blue. We waved at all of the people that we saw walking past and a few cars even beeped at us which made lots of us very happy!

There has been some fantastic teamwork and critical thinking happening in the garden while we have been designing our own obstacle courses using tyres, large parts, stilts and beanbags.

**Our number of the week:** 7

**Our key words:** Rainbow, Multi-coloured, Sunlight, Water Droplet, Arc and Refraction.

**Letter of the week:** T

**Alliteration Rhyme:** Tama the terrific teacher.

## Something Special

On Tuesday 21<sup>st</sup> May, Brambles staff will be available from 3.15pm until 4.15pm for parents to pop in and have a look at their children's learning journals if you would like to.

This is also an opportunity to ask us any questions you may have regarding school transitions.
