Headteacher's notes...

It has been wonderful to see all the red outfits, funny costumes and superheroes in school today. Thank you for all your donations which so far have raised over £550 for Comic Relief. Please remember that we have set up a Just Giving page organised by Comic Relief. [Brampton Village Primary School is fundraising for Comic Relief: Red Nose Day \(justgiving.com\)](https://www.justgiving.com/Brampton-Village-Primary-School/Comic-Relief-Red-Nose-Day).

Looking back at past Newsletters it was this time last year that we closed for the first lockdown and so much has happened since then. Hopefully we are starting to return to 'normal' over the next few months and it has been good to see the children continuing to work well across the school this week with many of them being able to share what they have done. It is clear how well supported many of them were during the most recent lockdown – thank you for all you did during this time. Routines are becoming established once again and we are able to have whole-school Assemblies via Zoom - the children enjoy waving to each other and saying hello! We have re-started our 'Star of the Week' Assembly and recognise all those children who are showing our 6Rs around the school each day.

Our last day of term is next Friday, 26th March, when we break up for the Easter holidays.

Foodbank

Thank you for all the donations that have been sent in for the Foodbank. The last day for any items this term is **Tuesday 23rd March** before they are collected.

Remote Learning

Updated information is now available on the website should an individual or a bubble have to isolate.

Road Safety

You will be aware that the PCSO was at school earlier this week in response to concerns expressed by local residents. We have been asked to remind you that the times shown on the sign in the lay-by indicate when parking is restricted.

Please keep your child at home if they are unwell or show signs of COVID. If someone in your house tests positive, please inform us immediately. We will have to continue to close bubbles of classes/ year groups if there is a positive case confirmed amongst either children or staff. You do not need to inform us of negative results, but we MUST know about positive results immediately.

If a child becomes unwell or shows any symptoms of COVID-19 we will contact parents/carers immediately. We will then expect the process for booking a test to be followed. If there is a positive test this may impact on the bubbles with them having to close whilst staff and children isolate.

Please continue to inform the school each day by phoning or emailing pupilabsence@brampton.cambs.sch.uk . Please use this address if your child becomes unwell and needs a test at a weekend.
