Spring 1

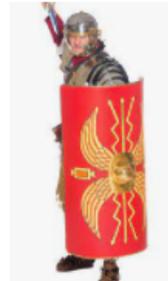

The Roman Empire

Animals - Food and Nutrition. Skeletons and Muscles

Spring 2

The Roman Empire continued

Light and Shadows

Summer 1 and 2

Dynamic Earth - Volcanoes, Earthquakes and Mountains

Plants

Over the summer holiday, we hope you have a great time recharging and having fun with your families.

We also hope that you will spend time reading regularly as this is really important and helps you with your learning in Year 3.

In addition we would like you to practise your times tables, especially the 3x, 4x and 8x tables. You can practise by saying them, singing them, writing them down and there are lots of on line games you can play too, like Top Marks - Hit the button.
