Reminders

It is very important that your child is NOT sent to pre-school if they are unwell.

We would also ask if you have given your child Calpol/Nurofen before school that you consider if they are well enough to attend Brambles.

Thank you.

This Week's Learning

This week at Brambles we have been learning all about spiders.

Our maths focus has been around 2D shapes. We have our very own spider named Walter in our classroom who has been changing the shape of his web every day to see if we can recognise and name a variety of shapes. There have been some great predictions on what shape Walter will bring us next.

On the art table we have repurposed some of our conkers from our autumn treasures and used them to create spider webs, rolling conkers with white and silver paint, to create their silks.

During our discovery time in the garden the Brambles children have been helping to take care of our garden, sweeping the leaves and tidying the planters ready to start planting bulbs for the spring. We continued to practice our fine motor skills by pulling out the seeds of some dried sunflower heads.

Our next parents evening is on Tuesday 20th October this is for Miss Hayley's blue group, Miss Sherrie's green group and Miss Lorraine's orange group.

On arrival, please come to the Brambles garden to the rear of the setting. If you can no longer attend, please do let Brambles staff know.

Our number of the week: 8

Our key words: Spider, legs, eyes, spiderlings, spinneret and web.

Something Special

The PTA are holding their first cake Friday on 23rd October, Brambles class and Beech classes have been asked to donate cakes to help raise money for the school. If you would like to donate, you can bring your cakes to Brambles at drop off time on Friday morning and staff will pass these on to the PTA.

Thank you.
