Summer Term 2025

Headteacher's notes...

I would like to begin by saying 'Well Done' to a number of children across the school. Firstly, to those in the choir and the instrumentalists who took part in the Musical Teas last Sunday. It was great to hear them all and thank you to everyone who supported the event. Secondly, all the children in Year 6 who have had such a positive attitude during SATs this week and for all their hard work over many months. Thirdly, a number of children represented the school successfully in the Tri Golf Festival at Hinchingsbrooke on Tuesday. Thank you to those who were able to go along and support. Finally, many children bring examples of their work to the office every day, whether it has been completed at home or in school. They are always so proud and it is great to be able to celebrate their successes!

Next week is the last week before we break up for half term and as part of this we will be taking part in **Walk to School Week**. This is the five-day walking challenge and takes place 19th – 23rd May.

Whilst helping to look after our environment, a child's journey to school is recognised as having an impact on their safety as well as their health and personal development. Why not take up the five-day challenge and if you can't walk all the way to school why not park 5 or 10 minutes away and walk the rest? For those who bike or scooter please remember to put them in the shelters and not just leave them around the playground.

PTA News

Thank you to everyone who baked, volunteered or bought cakes this afternoon. Hopefully everyone got something super tasty to enjoy in the sun and maybe even picked up some uniform too. With that done, what's next:

Non-Uniform Day - Fri 23rd May

A reminder that as well as being the last day of term, next **Friday** will be a **Non-Uniform Day**. Please bring in a £1 donation or make your donation online via the link below. No crop tops or sports/football shirts please -

Community News

Please do not forget that Brampton Spartans FC are holding their annual Presentation Day this Sunday, 18th May from 9:30am at Memorial Playing Fields. Information about this was sent home previously.

Measles

We have been asked to raise awareness about measles which, as you may be aware, is a highly contagious disease which can cause serious health complications, particularly in unvaccinated children. Please seek further advice if you are unsure.

The poster features an illustration of two children, a boy and a girl, standing side-by-side. The boy is on the left, wearing a blue suit and tie, with a red backpack. The girl is on the right, wearing a white school uniform with a blue skirt and a red headband, holding a yellow book. The background is a solid teal color. In the top right corner, the NHS logo is displayed in white on a blue rectangular background. Below the logo, the text '9 out of 10' is written in white on a dark teal rectangular background. Underneath this, the text 'unvaccinated children can catch measles if someone in their class has it' is written in white. At the bottom, the text 'Check your child is up to date with their MMR vaccinations' is written in white.
