This Week's Learning

What a super first half term we have had at Pre School!

It has been fantastic to see the Brambles continuing to blossom in confidence, friendships and new found skills. We are all incredibly proud of them.

This week we have been exploring pumpkins; we have looked at different textures whilst we carved and scooped the pulp and seeds from our large pumpkin in the fine motor tray.

In our maths area we have introduced different methods of measuring and sizing our three smaller shaped pumpkins using rulers, tape measures and scales.

During carpet time one of our Brambles friends shared how they celebrate Diwali, also known as the Festival of Lights, which is a special celebration for many people around the world.

We have also been practising our self-help skills by putting our own coats on independently using the "hood to toes and over it goes" technique, why don't you ask your child to show you how they do it?

Our number of the week: 0

Our key words: Pumpkin, Stem, Leaves, Skin, Seeds and Pulp

Something Special

We hope you all have a wonderful half term, please do share some of your adventures with us whether this be pumpkin picking, baking, a walk with your family or even being creative at home with art or Lego.

We can then share these with our Brambles friends at carpet time.
