This Week's Learning

We hope you all had a wonderful half term; it was lovely to welcome the Brambles back this week and hear all about their half term adventures.
This week we have been learning about fire.
We have discovered what fire fighters wear to protect themselves from fires and how they fill their fire engines with water.
We went for a walk around the Village to look for fire hydrants and continued to use our fantastic looking and listening skills to safely practice crossing the road.
On the art table we have created poppies with collaging materials, paint and transient art.
All of our Brambles have had the opportunity to choose how they create their own.
These will be displayed on our classroom windows ready for the Sunday Remembrance Day Parade.
At carpet time we took it in turns to play some listening games, matching the sound to our picture boards, they all did incredibly well listening carefully, some of the sounds were a bit tricky!

Our number of the week: 3
Our key words: Fire, flame, heat, fire engine, fire fighter and fire extinguisher
