Autumn Term

Headteacher's notes...

We started the week with Remembrance and held a period of silence across the school at 11.00am on Monday. We then had a great selection of odd socks on Tuesday as part of Anti-Bullying week, and the children have spent some time in class thinking about this year's theme of *Choose Respect*. Information is being sent home to support this today.

Children in Year 5 enjoyed their visit to Duxford Museum yesterday which has really brought their topic of World War Two to life! They have also been commended on how well they behaved and represented the school – well done. Next week children in Year 4 visit West Stow Anglo Saxon village and thank you to those of you who have been able to help and to the PTA who have supported with funding for both of these visits.

Thank you for all your donations today in support of Children In Need. So far, we have raised over £375.40 and our Just Giving page will remain open for the next few weeks. It can be found by clicking on [Brampton Village Primary School is fundraising for BBC Children in Need](#)

Thank you.

Sports News

Congratulations to those children who took part in the Pokemon football competition on Monday. We have more events taking place next week with a Panathlon tournament on Tuesday.

Performances

Bookings for the Christmas performances by Reception, Year 1 and Year 2 are now open. Please click on [SchoolCloud - Brampton Village Primary School](#). If you experience difficulties or do not have access to a computer, please contact the school office.

It is good that so many children cycle to school but please remember to wear a helmet and to have lights that work, especially at this time of year and for those children who stay for after school clubs.

Road Safety Week

Next week is Road Safety Week. The aim is to raise awareness of the dangers of excess or inappropriate speed and to help people understand why safe speeds are so vital for safe and healthy journeys.

ROAD SAFETY WEEK 
by  **Brake**, the road safety charity

This is especially important around school as is parking sensibly – not at junctions, opposite driveways, on corners or on crossings, as each day there is the potential for a serious accident to happen.

Please walk, cycle, scooter or drive sensibly so that we all arrive safely. Don't forget to **Be Bright, Be Seen!**

For family or friends who
step up to raise a child.
