## This Week's Learning

We have continued to explore the Northern Lights this week. In our exploration station we have had a variety of transparent coloured shapes and paper accessible to the Brambles with light boxes so that they could create their own versions of the northern lights and use the different colours to look through to turn their friends and classroom different colours. This has been very popular and our favourite colour for the classroom has been green!

During carpet time we have begun to practise our Winter Concert songs and it has caused much excitement that our families will be coming to see us perform, please do remember to let us know if you are able to attend.

We were kindly donated some Duplo and this has been a wonderful addition to our construction area with some super structures and very tall towers being created.

**Our number of the week:** 3

**Our key words:** Northern lights, sky, colours, swirl, illuminate and aurora

## Something Special

The Round Table's Santa Sleigh is beginning to prepare for their visit to Brampton, Thursday 7<sup>th</sup> December (High Street start) and Monday 11<sup>th</sup> December (Belle Isle start). Would any Brambles Parents be interested in volunteering as Santa's helpers?
