

## Year 6 – Home Learning

THURSDAY - 09.01.2025

**Maths** – Review multiplying fractions by fractions and fractions by integers which we have learnt this week in class. Please use the following link to access the learning.

<https://www.bbc.co.uk/bitesize/topics/zdkydnb/articles/z8fyv4j#zq47p9q>

<https://www.bbc.co.uk/bitesize/topics/zdkydnb/articles/zjgrydm>

**Arithmetic** – Daily practise of **ALL** times tables. Please use TT Rockstars, Hit the button and timestables.co.uk to access a range of activities to support this learning.

**English** – Following on from our poetry unit please complete the following task.

### What are you?

You are a lost glove  
found on a path to nowhere,  
like a stranded starfish.

You are a meaningful mirror  
cracked as a tarantula's web  
bringing 7 years of misfortune.

You are the sun shining  
on Jack's axe blade  
as it slices the stalk

You are a Siamese cat  
curled asleep  
like a calm question mark

You are the smell of an orange  
hidden in a teacher's pocket

You are in Manchester, waiting  
on a rainy Saturday or sunlight

You are a glass statue  
trapped in a cage of elephants

You are the sound of  
a silent scream  
echoing between heart beats

### LO: To explain my opinion

- ▶ I would now like you to choose your favourite verse. You are to explain why it is your favourite verse, by telling me perhaps: how it makes you feel; what it makes you think of; perhaps it inspires you? Or scares you? Or makes you happy?
- ▶ Once you have explained, why it is your favourite, you should then draw a picture of the verse and colour in pencil, if time.

**Guided Reading** - Listen to **Chapter 3** (Entering the crater) of Crater Lake

<https://www.youtube.com/watch?v=ODbXPLMkPgE>

1. Write a prediction on what you predict chapter 4 'Soup or blood' will be about.
2. Add illustrations to support your prediction.

**Topic** – Our focus this term is on Antarctica, for your task we would like you to read and research Antarctica using the link below and create your own quiz (minimum of 10 questions) to share with your table upon returning to school. You are welcome to create your quiz electronically or on paper.

**Please remember to include the answers!**
