**Monday 15<sup>th</sup> January**

Applications for a reception school place close.

**Wednesday 13<sup>th</sup>, Thursday 14<sup>th</sup> and Friday 15<sup>th</sup>  
December**

Brambles Winter Concert

## This Week's Learning

What a super week we have had at Brambles, our star discovery has continued and we have learnt lots of interesting facts especially about the North Star and how it helps to guide people in the night sky.

In the tactile tray we have been creating our own constellations using a variety of different materials such as sequins, black beans and pipe cleaners to form the different shapes.

The maths area has included star threading this week and there have been some fantastic conversations about the size, amount and prepositions of the different stars.

We were kindly invited to watch the Reception class's dress rehearsal of their nativity in the School Hall, we saw some wonderful singing and dancing and waved at school friends that we knew.

**Our number of the week:** 4

**Our key words:** Star, sky, night time, sun, telescope and constellation.

## Something Special

We have been asked by a few of our parents if we will be having a Brambles Christmas post box in our classroom like school has, we can confirm that we are and card deliveries will commence from Monday 11<sup>th</sup> December.

If your child would like to send a Christmas card to any of their Brambles Friends they can, alternatively they could send one to the whole class as we are being mindful of our environment.

**Miss Emma, Miss Max, Miss Hayley, Miss Lorraine,  
Miss Treasure and Miss Vicki.**
