

Over the summer holiday, we hope you have a great time recharging and having fun with your families.

We also hope that you will also spend time reading regularly as this is really important and helps you with your learning in Year 3.

In addition we would like you to practise your times tables, especially the 3x, 4x and 8x tables. You can practise by saying them, singing them, writing them down and there are lots of on line games you can play too, like Top Marks - Hit the button.

Welcome to 3 Beech

My name is Mrs Grimbaldston and I will be your teacher in 3 Beech. Everyone calls me Mrs G!

I am really looking forward to having you in my class!

This is our classroom. We used to pass it every day, when we used to have lunch in the Key Stage 2 hall.

The room has not been used as a classroom before, so lots of brand new equipment will be delivered for us, over the next few weeks. We will be working hard to make it a lovely learning environment, ready for when you come back to school. Once it is finished, we will email you a photo on Starz, so you can see what it looks like, before the new term starts in September.

This is the Key Stage 2 playground.

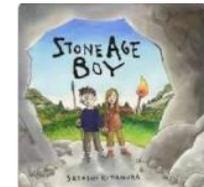

Our Topics are going to be:

Autumn 1

History: Stone Age to Iron Age

Science: Rocks

Autumn 2

Geography: Our Great Kingdom

Science: Forces and Magnets

Spring 1

History: The Roman Empire

Science: Animals - Food and Nutrition; Skeletons and Muscles

Spring 2

History: The Roman Empire

Science: Light and Shadows

Summer 1 and 2

Geography: Dynamic Earth - Volcanoes, Earthquakes and Mountains

Science: Plants
