This Week's Learning

This week at Brambles we have been taking part in the RSPB Big Garden Birdwatch.

We have learnt some of the birds names that we would see in our gardens, what they like to eat and where they live.

Our art area has been very busy this week as our Brambles have been painting their own interpretations of some of the birds that we have observed in our garden such as robins, blackbirds and magpies.

We explored the KS1 playground with our binoculars and used their reading area as a group bird hide, watching the birds go in and out of the large trees on the school field.

Brambles had great fun playing on the larger playground, using all of the outdoor equipment and activity boards.

Why don't you have a look in your garden and see how many birds that you can spot? You could even make a tally or draw a picture of a bird that you have seen. There are free resources that you can download from the RSPB website if you wish to take part.

Our number of the week: 2

Our key words: blackbird, woodpigeon, gull, sparrow, magpie and robin.

Something Special

The PTA is holding a School disco on Tuesday 4th February and Brambles are invited to attend from 5pm-6pm in the KS2 School Hall.

Parents must accompany their children and it is £3 Entry fee.
