This Week's Learning

We hope you all had a wonderful Easter break; it's been lovely to hear all about the Brambles adventures over their Easter holiday.

This week at Brambles we have been learning all about caterpillars and butterflies, this has included their life cycle, and we are excited to observe this in our classroom from next week.

During carpet time we continue to learn our 6 key words and metamorphosis has been a very curious word for our Brambles, so we have been researching other creatures that also transform such as moths, frogs and starfish.

We have been exploring symmetry in our creative area using coloured paints to create butterfly wings by folding our paper in half. Some of our Brambles thought this was magic!

At home you could also use construction resources to create some fantastic symmetrical 2D butterflies and caterpillars.

Our number of the week: 4

Our key words: Egg, caterpillar, chrysalis, emerge, butterfly and metamorphosis.

Something Special

On Tuesday 20th May, Brambles staff will be available from 3.15pm until 4.15pm for parents to pop in and have a look at their children's learning journals. This is also an opportunity to ask us any questions you may have regarding school transitions.
