Summer Term 2025

Headteacher's notes...

I hope that you all had a good half term break and are ready for the next few weeks ahead. Mr Hill, who is taking over as Headteacher from September, has been in school this week and has more visits planned as he gets to know the school, meeting both children and staff. Earlier this week we held our information evening for new Reception parents and we also had a visit from our School Improvement Adviser who was impressed with the work the children were doing across the school.

Yesterday our footballers played in a tournament against a number of schools. Well done to everyone who took part in these events and a big thank you to all the parents and staff for their support.

As the weather hopefully starts to warm up over the next few weeks, please help us by sending your child to school with a named hat and water bottle which should contain still water only and not juice or flavoured water. Please do not send in sunglasses. Sun cream can also be sent in (in a named bottle) but the children are responsible for putting this on themselves. It is also important the children continue to wear sensible shoes (no open-toed sandals or flip flops). Thank you.

School Phone Number

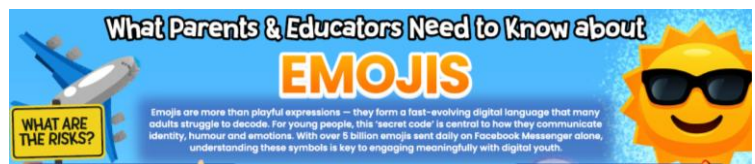

We wanted to confirm that our school phone number is 01480 375063. This can be used for all general enquiries and reporting absences.

Staffing Update

We send our congratulations to Mrs James and her family on the birth of her baby daughter. There will be some staffing changes from September and more details will be provided soon.

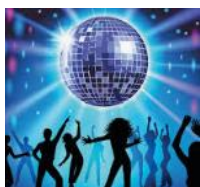

Online Safety

We have had a few incidents recently where online conversations between children have escalated and issues have been brought into school. Monitoring use is not easy but is so important and conversations at home and at school around keeping safe online and using social media appropriately are an essential part of supporting and educating children.

This week's guide is all about emojis which are part of the digital language that we now use. Some of them can be used as a secret code and it is important that we all recognise and understand how and when they are used.
