This Week's Learning

This week we have been exploring shapes. We have been learning the names of shapes at carpet time and using our knowledge to build houses out of a variety of natural loose parts and construction resources.

We have been discussing who lives in our homes and comparing the number of people and animals with our friends during free play.

Brambles continue to discover the art area resources and have enjoyed drawing and painting their own large shapes such as circles, squares and triangles to create houses. There have been lots of wonderful creations, proud faces and very messy hands.

"The most memorable days usually end up with the dirtiest of clothes."

'The Curiosity Approach'

Our number of the week: 3

Our key words: Circle, Square, Triangle, Rectangle, Oval and Hexagon.

Something Special

It has been lovely to share some of our Brambles birthdays with them at Pre School and we wanted to say thank you to our Pre School families for sharing a morning snack with us to celebrate.

We hope you all had wonderful 4th birthdays.

**Miss Emma, Miss Max, Miss Hayley, Miss Lorraine,
Miss Treasure and Miss Vicki.**
