## Reminders

It is very important that your child is NOT sent to pre-school if they are unwell.

We would also ask that if you have given your child Calpol/Nurofen before school you consider if they are actually well enough to attend Brambles.  
Thank you.

## This Week's Learning

Can you believe there is only one week left of Pre School before our Christmas holidays?

This week we have been exploring winter and there is no better time to do it than with the cold, frosty mornings.

We have discussed what we need to wear when we go outside to ensure that we stay nice and warm when exploring our garden and have been practising independently putting our hats and gloves on.

In our art area there have been some fantastic winter pictures being created using a variety of collaging materials including cupcake cases, sparkly pipe cleaners, gems and doilies to make snowmen, reindeers and frosty landscapes.

We have been practising our prepositions using Christmas fuzzy felts and continue to use our number knowledge for the number of the week activities. Our Christmas decorations are up in our classroom with the help of the children and we are looking forward to bringing our homemade cards and baubles home next week.

**Our number of the week:** 8

**Our key words:** Winter, cold, temperature, snow, frost and coat.

## Something Special

Next week Brambles will be singing some of our favourite Christmas songs to our parents at collection time, this will be on Monday, Wednesday and Friday at 3.00pm. This to ensure that all of our Pre School parents can attend.

"The best way to spread Christmas cheer is singing loud for all to hear" ELF
