This Week's Learning

Over the last few weeks, we have enjoyed waving at the village postal worker as he passes the Brambles garden, so this week we have been exploring what postal workers do.

Throughout the classroom, we have had various postal activities including role-play, letter writing, stamp designing and delivering post to our school friends. We were kindly gifted ceramic stars, trees and hearts from one of our Brambles parents and we had enough for every child to decorate an ornament to take home this week. Thank you very much for the very kind donation.

It has been wonderful to watch the Brambles perform their winter concert for their families, they worked incredibly hard to learn all of their songs and we are super proud of them.

Our number of the week: 1

Our key words: Postal workers, postal van, post box, letter, envelope and stamp.

Something Special

Brambles staff would like to say thank you to all of our Brambles families for the wonderful gifts and Christmas cards that we have received, it is incredibly kind of you all.

We hope you all have a magical Christmas and a happy new year.
