This Week's Learning

This week at Brambles, we have been learning all about our families and new friends, having wonderful conversations at carpet time about our hobbies, pets and what we like to do for our special occasions.

During free play, there have been lots of opportunities to practice our fine motor skills with threading, peg boards and tweezer and pompom activities.

On the art table, they have been creating their own faces using a variety of transient art resources, we have been talking about our emotions and what makes us feel happy and sad.

We have been making the most of all of our collected conkers outside and have been using these with our ball run in the garden, changing the height and incline of our gutters to see how fast and slow we can make them go.

If you haven't already, please could your child bring in a family photo that they can share with their Pre School friends at carpet time; this will then be displayed in our classroom.

Our number of the week: 2

Our key words: Me, family, home, hobbies, celebrations and pets.
