Friday 15th November
Children in Need

This Week's Learning

This week we have been learning all about fire. We have discovered what fire fighters wear to protect themselves from the fire and how they fill their fire engines with water.

We went for a walk around the Village to look for fire hydrants and continued to use our fantastic looking and listening skills to safely practise crossing the road.

On the art table, we have created poppies with collaging materials, paint and transient art. All of our Brambles have had the opportunity to choose how they create their own.

These will be displayed on our Classroom windows ready for the Sunday Remembrance Day Parade. At home, you could go for a walk with your family and see if you can spot any fire hydrants or poppies.

Our number of the week: 3

Our key words: Fire, flame, heat, fire engine, fire fighter and fire extinguisher

Something Special

Reception open morning is on Wednesday 13th November, the school is offering a tour to those families of children who are due to start school in September 2025.

This is being held at 10.00am. Spaces are limited and if you wish to attend you need to email the school office to book a place.
