Letter 1

Summer Term 2025

Headteacher's notes...

Welcome back – I hope you all had a good break. It has been good to see the children returning full of enthusiasm this week and we are looking forward to another busy term ahead. A diary has been included at the end of this letter and next week we will also be sending home Curriculum Letters from each year group so you know what work is being covered this term.

Sports News

We had a team representing the school in the NFL Flag Football District Finals yesterday. The children all played well and enjoyed taking part. Thank you to all those who went and supported them.

Internet Safety

We know that supervising children when they are on online is not always easy but we are aware from comments that many of them have made recently that they may be accessing content online and games that are not age- appropriate for them, or are involved in inappropriate conversations online. Advice has been included with today's Newsletter which we hope you will find helpful.

Medication

As we move into the time where hay fever starts for many children, please can we remind you about the use of Piriton and other medications. Medicine should be given to children before school and only in exceptional circumstances should it be given in school. Consent has to be given for this beforehand, and a medication form completed which is available from the school office.

Year 6 Residential

There may still be places available for any child in Year 6 who has not signed up for the residential visit to Laches Wood later this term. Please contact the school office for further details.

Travel Surveys

Thank you to everyone who has completed the Travel Surveys for each year. A reminder that these will close next Tuesday, 29th April.
