Letter 2

Spring Term 2025

## Headteacher's notes...

The children who attended the Young Voices concert in Birmingham on Monday had a fantastic time and they have all been praised for their excellent behaviour and singing throughout the day. Thank you to the staff and volunteers who went with them.

Curriculum Letters were sent home earlier this week and I hope that you have found them useful. Information about our Open Afternoon and Parent Consultations, which are being held in February, will be sent home next week.

It has been good to get back to normal across the school this week with the heating issues in KS2 resolved for now. Thank you for your understanding and support during what was a challenging situation. We have already seen some wonderful work from many children which they have been very proud to share.

## Parent Computing Guide

This week's guide is all about TikTok which we know is widely used by many adults and children. Please take time to read through this carefully.

## Parking

We are asked regularly by the Police to remind all parents and carers about driving and parking with consideration for other road users and local residents.

We have had repairs to some of the car park gates this week and would like to remind you that the car parks are for members of staff and visitors only and must not to be used for dropping off or collecting children.

Despite requests there are still a number of adults and children walking or cycling through the car parks. Please avoid doing this as it is not safe for anyone.

## PTA News

As we build up to our Winter Discos, we need volunteers to make them a success. Can you spare an hour for one of the Discos to help with Refreshments, Glitter Tattoos or the Dice / Guessing Game stalls? If so, please sign up here:
