Our Core Values

At Brampton Village Primary **every child matters** and **each individual is valued** for the unique contribution he or she makes to our community.

We expect everyone to show respect for others, to be courteous, responsible and caring, and we actively foster such behaviours. Our aim is to create an environment which promotes children's self-esteem, **to make our school a place where pupils feel happy, safe and able to enjoy learning.** We strive to provide a learning climate in which children can flourish and achieve their very best; where they can celebrate their differences and develop the skills and confidence to build happy and successful futures. By **working closely with parents** and the community we aim to build **strong and effective partnerships,** which **help children to thrive.**

Ofsted (March 2023)

- **This school continues to be good.**
- Brampton Village Primary School has grown in size in recent years. Despite this , there remains *a close knit feeling between staff and pupils. Pupils learn and behave well.*
- There are positive relationships between pupils and staff. *Pupils appreciate these relationships and are proud of their school. They are happy and safe.* One pupil, summing up the views of many, said: *I feel lucky to be at this school because I learn lots in every lesson and know that I am safe.*
- Pupils have a voice that is listened to. There are many opportunities for pupils to take on responsibilities.
- While other changes have taken place due to the school growing in size , *leaders have maintained their focus on improving the quality of education* provided . This has ensured that pupils continue to learn and achieve well.
- Leaders help children settle in quickly when they join early years .

OUR 6RS FOR LEARNING

We have six key values that underpin everything we do. Our 6Rs are built around respect - respect for ourselves, others and our school.

We expect everyone to take on board these values at all times when they are at school because for Respect to succeed we require everyone to play their part.

R

r **E** flective *thinking about how to get better at learning
sticking at something and ignoring*

re **S** ilience *distractions*

res **P** onsibility *making good choices in behaviour and
learning*

r **E** sourceful *exploring different ways to get things done*

re **C** iprocity *working with others, listening and helping*

- I fully support the school and feel that my child is at one of the best schools in the area.

Safeguarding

This is our highest priority, to ensure that all children are in a safe environment.

This includes focussing on:

- Behaviour
- e safety
- Attendance
- Child Protection

(Ofsted)

Safeguarding is effective.

The arrangements for safeguarding are effective.

Pupils learn how to keep themselves safe.

Schools must 'make arrangements to safeguard and promote the welfare of children'.

We will endeavour to provide a safe and welcoming environment where children are respected and valued. Parents/carers should know that the law requires all school staff to pass on information which gives rise to a concern about a child's welfare.

Attendance

What can you do to help?

- Have a regular routine for the start of each day.
- Help your child get their clothes and equipment ready before going to bed.
- Set a reasonable bedtime to make sure they get enough sleep.
- Ask them about their day and praise and encourage their achievements at school.
- If you have concerns discuss them with your child's teacher.
- Be willing to engage with any support offered by the school.
- If your child is ill or absent for any other reason, contact the school on the first day of absence.

We will work with you and please always let the school know of any days that your child is unable to attend.

The Curriculum

Children who enter the Early Years Foundation Stage (EYFS) begin their lifelong learning journey by developing physically, verbally, cognitively, socially and emotionally.

Our aim is to create a learning environment and build relationships which support, enhance and invite a child's curiosity, confidence and individual competency to flourish regardless of backgrounds, circumstances or needs.

The 7 areas are used to plan children's learning and activities. Planning for this curriculum is designed to be flexible so that a child's unique interests are tuned into and supported. Within each of the seven areas there is a skills progression document which shows how key skills are developed over time.

- Personal, Social and Emotional Development
- Physical Development
- Communication and Language
- Literacy
- Mathematics
- Understanding the World
- Expressive Arts and Design

Cake Friday

Summer Fair

Although all parents are automatically members of our PTA, we need an active group to join the Committee and attend the twice-termly meetings.

THE PTA

What do we do and why do we need you?

Discos

The school is now so big that we have to hold 2 disco nights to fit everyone in.

Bake Sales

Friday afternoon fun for all the family. Year groups take turns to bring in cakes and everyone can buy.

School Trips

We give money to every class to reduce the cost of trips for parents and ensure everyone can attend.

Christmas Cards

Love having your child's design on your Christmas cards? We order, process and distribute every year.

Summer and Christmas fayres

The inimitable school fayre is a staple of village life and is fun for everyone!

Second-hand Uniform

Our online uniform shop (uniformd.co.uk) ensures good quality clothes are reused and families get great value for money.

Without help, the PTA cannot keep running services like these, and many more. We are all volunteers with kids at school just like you. You don't need to become a committee member to help, you can make a huge difference by volunteering at an event, giving your ideas at a meeting, or simply spreading the word.

For more info, or to get on our mailing list, please email BramptonPTA@outlook.com. You can also request to join our Facebook group, (Brampton PTA) where we post about everything we are up to.
