## This Week's Learning

This week we have continued to take part in the RSPB Big Garden Birdwatch.

We explored the KS1 playground with our binoculars and used our reading area as a group bird hide, watching the birds go in and out of the large trees on the school field.

Brambles had great fun playing on the larger playground and using all of the outdoor equipment and activity boards.

Our art area has been very busy this week, as our Brambles have been painting their own interpretations of some of the birds that we have observed in our garden such as robins, blackbirds and magpies.

At carpet time this week we have been making up our own Talk for Writing Story curve about a crab and a turtle, everyone has had an opportunity to tell the class their own ideas and it has been wonderful to see their confidence grow.

**Our number of the week:** 5

**Our key words:** Blackbird, woodpigeon, gull, sparrow, magpie and robin.

## Something Special

We would like to thank one of our Pre School families, who kindly made a traditional Spanish cake for our snack this week.

It was thoroughly enjoyed by all.

**Miss Emma, Miss Max, Miss Hayley, Miss Lorraine, Miss Vicki and Miss Treasure.**
