This Week's Learning

This week at Brambles we have been learning all about ladybirds, finding many in our garden and on the school playground has caused much excitement.

We have learnt that the striking red colour and black markings on their wings are to warn off predators.

While in our garden, we have been completing our own mini beast hunt using magnifying glasses to look under rocks, plants and large parts to search for different kinds of insects, checking them off our list.

At carpet time we continue to explore our letters and sounds. We have been using our robot arms to blend our phonemes, perhaps you could ask your Bramble to show you how to be a robot.

We have been notified of a few cases of chickenpox in the setting, symptoms include temperature, headache, loss of appetite and fluid filled blister bumps. If your child has any of these symptoms please keep them at home.

Our number of the week: 6

Our key words: Ladybird, beetle, spots, antenna, hind wings and elitra.

Letter of the week: T

Alliteration Rhyme: Tama the terrific teacher.

Something Special

On Tuesday 21st May, Brambles staff will be available from 3.15pm until 4.15pm for parents to pop in and have a look at their children's learning journals if you would like to.

This is also an opportunity to ask us any questions you may have regarding school transitions.
