Monday 7th April - Monday 21st April
Easter Holiday

Tuesday 22nd April
Teacher Training Day

Wednesday 23rd April
Children Return

This Week's Learning

The Brambles children have noticed lots of spring flowers emerging in our garden and around the village, so this week we have been learning all about Spring flowers.

We have created beautiful flower paintings on the art table using a vase full of daffodils and tulips, Brambles have enjoyed discovering the different parts of the flowers such petals, leaves and stems.

In the garden we have planted some butterfly and bee seed mixes in our wooden planters and have also started to grow our own cress which we will be bringing home next week.

We went for our weekly walk over to Willow Close in the village, to spot and name as many kinds of flowers as we could find using our spring flower checklist.

We practised our Road Safety Awareness, making sure that we found a safe place to cross the road and that we were looking left and right and listening for oncoming traffic.

Our number of the week: 1

Our key words: Daffodil, pansy, primrose, snowdrop, tulip and crocus.

Something Special

On Friday we joined in with Comic Relief and wore something Red to Pre School and created our own Red Nose Day self portraits on the art table.

Thank you to our Brambles Families who donated to this charitable event.
