Spring Term

Headteacher's notes...

We have arrived at the end of another busy yet successful term and have been able to enjoy a week of sunshine! Reception children enjoyed their visit to church yesterday. Year 5 had an enjoyable Egyptian Day on Wednesday. Some of the children from Year 4 have been at Grafham this week and have thoroughly enjoyed themselves, taking part in all sorts of different activities and challenges. Other children in Year 4, who have been in school, have also taken part in various projects and as always, thank you to all the staff and parents who have made all of this possible, both in school and at Grafham.

Well done to the children across the school for all they have achieved once again and for all your support – it is appreciated. I would also like to thank the staff and Governors and on behalf of everyone at the school I wish you and your families a safe and happy Easter break.

Sports News

Well done to the children who took part in the NFL tournament on Tuesday and even though they had mixed success they all enjoyed themselves. Congratulations as well to all those that took part in the Priory Park Cross Country run on Tuesday with both teams doing really well overall.

Sign Design Time!

A reminder about the competition that the Local Authority is running for schools. The Road Safety Team are running the competition to promote active travel and responsible parking around schools and are asking our pupils to design posters to reflect the issues around our school. The winning designs will be made into signs and banners for the school to display outside on the railings to ensure that the message goes home. When designing the posters encourage the children to think about what it's like when they are dropped off and picked up at school, what the potential dangers are and how it could be safer.

The designs need to be back by 24th April. The posters should be clear, simple, and bright (not lots of little pencil drawings) with child's name and class on the back. More information is on the front page of the school website.

Brambles September 2025

Information and forms for children who want to start in Brambles from September 2025 are now available on the school website [Brampton Village Primary School - Admissions](#).

The deadline for submitting the session request form for the 2025/26 academic year is 12 noon on Friday 25th April.

Attendance

Thank you for all your support with attendance again this term. We know that it has fallen recently due to illness and there have been many different bugs going around across the school. We hope that everyone gets better over the holiday ready for the new term.

As a school we are bound to follow the Local Authority guidance and policies. These are reflected in our own Attendance Policy. This includes following up any suspected

holidays when we become aware of them. We want to continue to work with you to ensure that your child's attendance in school is as high as possible taking into account exceptional circumstances only.
