Rhyme: Great Big Rainbow

Upcoming Events

Friday 10th May
PTA Cake Friday

Monday 27th-Friday 31st May
Half Term

This Week's Learning

The Brambles have really enjoyed our nature topic this week where we have been exploring rainbows. We discovered that a rainbow is created when sun light is bent and refracted while entering a droplet of water; it then splits into the seven separate colours.

While the sun was shining we used some glass prisms to create our own rainbows in the garden, we made rainbows on the ground, our friends' jumpers and the benches.

During group time we performed our own rainbow science experiment using coffee filters and water.

It was very exciting to investigate the colours moving over the arc. Perhaps at home you could try this experiment.

Our number of the week: 7

Our key words: Rainbow, Multi-coloured, Sunlight, Water Droplet, Arc and Refraction.

Letter of the week: A

Alliteration Rhyme: Adi the agile ant

Something Special

On Tuesday 21st May, Brambles staff will be available from 3.15pm until 4.15pm for parents to pop in and have a look at their children's learning journals if you would like to.

This is also an opportunity to ask us any questions you may have regarding school transitions.

**Miss Emma, Miss Max, Miss Hayley, Miss Lorraine,
Miss Vicki, Miss Treasure**
