Dear Parents,

Have you considered becoming a school governor?

The governing body of Brampton Village Primary School has one vacancy for a parent governor. We are writing to you to ask if you would be interested in becoming a school governor.

Governors are responsible for ensuring the strategic direction of the school, its performance and the use of resources to support learning. They help to ensure that our school provides the best education it can for children, parents and our local community. Our parent governors are very valuable members of the governing body and we rely on them to help us to give a parent's view. They are on the governing body as representative parents, but they are not delegates and other parents cannot mandate them on how they should vote.

Governors do not need to be experts to tackle the range of responsibilities expected of them. Help, advice and training are available from various sources. If you are interested in being part of the team and have time to commit to this role we would like you to consider becoming a parent governor. If you would like more information please contact the school and we can put you in touch with a member of our governing body for an informal chat.

Anyone who has parental responsibility for a pupil on the school roll at the time of the election can self-nominate, stand for election and can vote in the election. A parent who works for the school for 500 hours or more or a parent who is an elected member of the local authority (County Councillor) is not eligible to stand for election but they are permitted to vote. If insufficient parents stand for election the governing body can appoint nominated parents to the governing body.

All nominations should be sent in to the school office by **Friday 19th May**. We also need a few words about the candidate and why they would like to be a governor. If you would like extra copies of the nomination forms please contact the school office.

On Friday 26th May we will inform parents about the details of parent governor nominations. If an election is necessary we will send ballot forms home with the children with the names of the candidates and their details. A copy of the rules guiding the election of parent governors and further copies of the nomination form can be obtained from the school office.

Being a school governor has rewards. It is good personal development, you get access to training and experience of working in a board situation. In addition you will gain an enormous sense of satisfaction in being part of a team working to improve the educational outcomes of children.

If you are interested and would like more information please contact myself or the Headteacher, Peter Allen.

Yours Sincerely

Mr Dave Freeman
Chair of Governors
