## This Week's Learning

What a wonderful first week back after the Easter holiday. Thank you to all of the families who sent in photos of their adventures from home to share at carpet time. It has been lovely to see how the Brambles confidence has increased when talking in front of their friends.

This week we have been learning all about rabbits, we have explored where they live, what they eat and when we might see them.

At Brambles we like to introduce 6 new key words every few weeks and this week their favourite word of the week was fluffle..... perhaps you could ask your child what it means.

On the art table there have been some incredible rabbit pictures created using a variety of materials such as paint, potato printing, corks and paintbrushes.

**Our number of the week:** 0

**Our key words:** Rabbit, kitten, fluffle, burrow, hutch and crepuscular.

## Something Special

You should have now heard whether your child has been offered a place at your chosen Primary School. Please ensure that you accept your place by either using the Citizen Portal account or by contacting the school.

Please let Brambles Staff know if your child will be attending a different school from Brampton Village Primary School.
