Half Term

This Week's Learning

This week we have been learning about dandelions.

We have discovered that dandelions are a very important food source for wildlife such as bees and birds.

In the art area, we have been exploring different ways to make marks with paint to create our own collaborative dandelion picture. This has included using forks to make the petals of the yellow flowers and cotton buds to create the seeds blowing away for our puffballs.

We have started to visit the KS1 playground as part of our school transitions. Brambles were very excited to see some of their siblings and friends they know in different classes.

Every child will have the opportunity to visit the KS1 playground during their Pre School week.

Our number of the week: 1

Our key words: Bud, flower, leaves, change, puff ball and seed.

Letter of the week: A

Alliteration Rhyme: Adi the agile ant

Something Special

On Tuesday 21st May, Brambles staff will be available from 3.15pm until 4.15pm for parents to pop in and have a look at their children's learning journals.

This is also an opportunity to ask us any questions you may have regarding school transitions.
