

Over the summer holiday, I hope you have a great time recharging and having fun with your families.

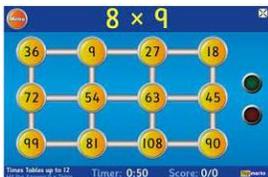

I also hope that you will spend time reading regularly as this is really important and helps you with your learning in Year 4.

In addition, I would like you to practise your times tables, especially the 3x, 4x, 6x and 8x tables. You can practise by saying them, singing them, writing them down and there are lots of online games you can play too, like Top Marks - Hit the button. Remember to visit:

[Times Tables Rock Stars](https://www.timetables.co.uk) or another great Ibsite:

www.timetables.co.uk

[Timestables.co.uk](https://www.timetables.co.uk)

Welcome to 4 Beech

I am Mrs Alexander your year 4 teacher.
