This Week's Learning

This week we have been learning all about construction and how we can build using various different resources.

We have drawn our own plans and used tape measures and rulers to see the height and width of our structures.

In the art area we have used different construction blocks and paint to create our own buildings and Brambles have formed some fantastic houses, castles, bridges and even roads connecting their painted blocks together.

We were kindly donated lots of large cardboard boxes that we have enjoyed building with in the garden, creating tall towers, houses, cars and boats.

Thank you to our Pre School friends who have just celebrated a birthday and brought a snack in for us all to share at morning snack time.

Our number of the week: 4

Our key words: Construction, construction workers, plan, measure, connect and architecture.

Something Special

Thank you to the Brambles parents who volunteered their time to help the PTA Disco run smoothly on Tuesday.

It was wonderful to see so many of the Brambles children enjoying the disco.
