This Week's Learning

This week we have been learning all about bees. During free play the Brambles have been able to explore hexagons using a variety of different construction materials such as wooden shapes and Numicon to build their own beehives.

In the art area we have continued to explore different ways to make marks and this week we used bubble wrap to create the beehive's honeycomb patterns using lots of fantastic number and shape skills.

We have been focusing on our name and letter recognition on the literacy table, using our name cards and upper- and lower-case magnets to form our names. Each of our Brambles will be bringing home a sunflower seed that they have planted and started to grow at Pre School.

We have set them all a challenge to see just how tall their sunflower will become; we would love for you to send photos and updates to us.

The tallest sunflower will win a special prize!

Our number of the week: 6

Our key words: Bee, hive, queen, nectar, honeycomb and honey.

Something Special

The Reception new starters' evening will be held on Wednesday 3rd June at 6.00pm in the KS1 Hall. Please do attend as this is a great opportunity to ask any questions you may have and find out which class your child will be in.

Miss Emma, Miss Max, Miss Hayley, Miss Lorraine, Miss Vicki and Miss Treasure.
